NEWS PRIZE PRESENTED TO HEMLOCK SCHOOL.

Shower glories were showered on the Hemlock school Wednesday morning as a result of their prize winning record in the recent school field meet. The news prize, a handsome shield as a winning prize, which went to the Hemlock school, was presented to the school by the news prize committee. The shield must be won three times in succession by one school in order to be kept. The children won this prize by singing their regular school songs.

The shield was presented to the school this morning by W. C. Johnson, general manager of The News, who accompanied them to the school. The very best efforts that the school might put forth and had been an ardent supporter in their garden and flower culture projects. He remarked that he expected that the children were initiated into the "Bible" and other new features, whereupon the children presented to the exhibitors of their efforts, raised their hands.

The 25 gold piece offered by J. C. Richards of the Elmore Sales company, for the largest percentage of attendance from any one school, was presented by Mrs. Richards in the absence of her husband.

Miss Sadie Brown, school principal, accepted the prize on behalf of the school in a very pleasing speech of acknowledgment and thanks.

Mrs. Herman Egan, president of the City Federation of Parent-Teachers' association, was present and made a short speech. This school also won the prize for the 50-yard dash and another prize for the 100-yard dash. The children contributed their part to the exercises this morning by singing.

NORMAL PARK PRESENTS "DREAM OF FAIRYLAND"

"Dream of Fairyland," a cantata, was presented at 8 o'clock last night by students of the Normal Park school under the direction of Miss Ethel O'Neill. About fifty children took part in the cantata. The story was one of two little orphan children who go in search of fairyland and, falling asleep on the way, are transported into fairyland. The stage was transformed by green lights and flowers into a woodland scene, which made a very effective background for the fairies.

Following is the cast of characters: Two Orphans—Mabel Dickerson and Margaret Shacklett.

Good Fairies—Helen Fletcher, Evelyn Carter, Frances Gray, Brister, Beth Overbay, Nell Moulton, Evelyn Allison, Steve Shields, Lois Leinart, Betty Rose, Kathleen Coffey, Mildred Trotter, Margaret Allen, Josephine Smith, Emily Hunt, Elizabeth Wright.
